Rev-Up

4 Weeks Project

Overview

Greetings Youth and Young Adult Leaders,

We are fervently praying for you as you make disciples of Jesus Christ. Your responsibility of raising up steadfast Christ followers, during an ever-changing and fragile time in history, is enormous. We stand with you, believing that the lives you invest into in your ministries will multiply as they go out into all the world.

Would you like to see your youth and young adults going into all the world as missionaries in class, at the gym, and even at work? If so, this Go Project series of three messages (from the life and teaching of Jesus) will challenge them to answer His call and respond by inviting their friends to *Untamed* on March 18th.

With our fast-paced culture leaving little time to care for others and to share our faith, *Untamed* is a community rallying point. It's an opportunity to move in tandem towards connecting the young generation with Jesus. Let's go together!
